Welcome to the Learning Hub for Community

Empowerment! PATHFINDER+ platform is alive and thriving, offering a dynamic learning space for anyone eager to strengthen community-led economic initiatives. With structured online modules, collaborative tools, and digital credentials, the platform equips changemakers with real skills to spark transformation in their local communities.

Explore the PATHFINDER+ Learning Modules

Upon logging in, users are greeted with a clean and intuitive dashboard guiding them through their learning journey. The platform currently offers five interactive modules, available free of charge and designed for all levels:

- Module 1: The Community-Led Economy

Understand the foundational principles of socially and territorially rooted economies.

- Module 2: Identifying Business Opportunities

Learn how to identify and evaluate community-based entrepreneurial ideas.

- Module 3: Creation of Community Enterprises

Gain tools to initiate, plan, and manage real community projects.

- Module 4: Sustainability Plan

Learn financial and communication strategies for long-term sustainability.

- Module 5: Design and Evaluation

Put theory into practice with hands-on tools to design and assess community enterprise plans.

Each module includes 3 sub-modules, quizzes, downloadable resources, and access to peer discussion forums. Users can track their progress and earn digital badges, such as "Ethical & Sustainable Thinking," "Planning & Management," or "Financial Literacy –Advanced."
